Weighing tool for outdoor use with remote display

- Weighing hook with IP65 protection, suitable for outdoor use
- Display the weight up to 100 metres distance with the wireless remote control
- LED display
- Made of epoxy coated steel
- Built-in rechargeable battery
- Indicator with integrated printer ⁽¹⁾

FUNCTIONS

- Zero adjustment
- Tare function
- Accumulation and totalisation of weights
- Hold function
- Self-disconnection

⁽¹⁾ Optional

Rechargeable
Unit with rechargeable battery and data transmission to the wireless display terminal.

Wireless
Wireless remote control with built-in rechargeable battery.

► ACCESSORIES

Remote printout of weighing results
With the optional C6P remote control you can print the weighing results from the control unit itself, as well as control all the functions of the weighing hook with a portable device.

CERTIFICATES

ISOCAL CERTIFICATES

- Our Xtrem equipment is delivered with CE-M Verification as standard
- We also offer our ISOCAL Certificates, with individualised calibration data for the Xtrem equipment
- Help maintain your ISO9001 Quality System

Ref.	Model
8029	ISOCAL certificate from 601 kg to 1500 kg
8030	ISOCAL certificate from 1501 kg to 3000 kg
8033	ISOCAL certificate from 3001 kg to 10.000 kg
